深圳市人民政府、港中大和港中大(深圳) 签署补充协议

注入发展新动能 开启合作新篇章

Tripartite Agreement among CUHK, CUHK-Shenzhen and Shenzhen Municipal Government to Bring Cross-border Partnership to Next Level

2023 年 2 月 22 日下午，深圳市人民政府、香港中文大学和香港中文大学(深圳)在香港特区政府总部隆重举行《关于进一步深化合作的补充协议》(以下称《补充协议》)签署仪式。在特区政府政务司司长陈国基及深圳市市长覃伟中等共同见证下，深圳市教育局党组书记郑秀玉、港中大校长段崇智、港中大(深圳)校长徐扬生代表签署了三方深化合作《补充协议》，充分肯定港中大(深圳)近十年来的发展成就，并就扩大办学规模、拓展科研创新、促进港深合作等明确支持，为推动深化合作与高质量发展，注入新动能，开启新篇章。

香港特区政府行政长官李家超先生和多任前特首高度肯定香港中文大学(深圳)的办学实践是大湾区合作发展的成功典范。2 月 22 日晚，香港特区政府发出的《新闻公报》称，深圳市政府与香港中文大学及香港中文大学(深圳)签署的《关于进一步深化合作的补充协议》，为三方在扩大港中大(深圳)办学规模、开展科学研究等方面深化合作，奠定基础。港中大(深圳)等高校的加快发展，将有助港深两地建立大湾区人才高地。

《补充协议》阐明，港中大(深圳)自 2014 年设立以来，充分发挥香港“一国两制”制度优势、合作办学体制机制优势及深圳区位优势，用好港中大的学术、评价体系与科研地位，致力于培养具有国际视野、中华传统和社会担当的创新型高层次人才，是深港高等教育合作的领跑者，是深港深化合作的成功样板。港中大(深圳)办学成果显著，得到了教育部、香港特区政府、广东省政府等各级政府的高度肯定，获得社会各界的广泛赞誉，成为我国合作办学高校的佼佼者，为国家实施教育强国战略探索成功路径。

深圳市政府作为属地政府同意对港中大和港中大(深圳)两校园加大支持力度，进一步深化三方合作，在《补充协议》中明确六方面支持：

01 支持港中大(深圳)扩大办学规模，尤其是扩大硕士、博士研究生培养规模；支持大力发展留学生教育，吸引境外优秀學生就讀。

02 支持港中大(深圳)提升办学条件，按照本市高等教育投入政策，为发展提供资源支持。

03 同意为港中大(深圳)办学提供新增用地支持，通过政府投资渠道建设新增校舍。

04 支持港中大(深圳)加快世界一流大学和一流学科建设，支持两校园合作重点布局人工智能、微电子、机器人等学科专业；支持共同建设公共政策学院、微电子学院；支持共同发展医学院、医院。

05 支持港中大与港中大(深圳)两校园发挥自身优势，进一步提升服务国家战略和区域社会经济发展能力；支持深度参与前海深港现代服务业合作

区、河套深港科技创新合作区、大运深港国际科教城等重点区域建设发展；支持在深圳建设大学科技园。

06 支持港中大与港中大(深圳)两校园积极承接国家教育、科技和人才领域重要部署，争取国家重大综合改革试点；支持两校园联合组建全国重点实验室和重大科研平台，共同发起国际大科学计划，与世界一流大学和科研机构开展跨学科、跨领域交流合作。

港中大(深圳)校长徐扬生表示：港中大(深圳)秉承港中大优秀办学传统，齐心协力打造好“一个品牌，两个校园”。在短短九年的办学时间里，港中大(深圳)在人才引进、学科建设、科研创新、书院建设、国际合作、人才培养和社会服务等各方面均取得卓越成绩，得到了教育部、香港特区政府、广东省政府等各级政府的高度肯定，也得到了社会各界的广泛赞誉，为我国高等教育现代化、高质量、多元化发展探索成功之路。徐扬生说，港中大(深圳)所有成绩的取得，要衷心感谢深圳市政府和港中大的鼎力支持，衷心感谢港中大(深圳)全体师生的砥砺奋斗！徐扬生表示，港中大(深圳)将以此次协议的签署为契机，凭借“一腔热血、百年大学、千载品牌、万世良心”的情怀，结合传统与现代，融会中国与西方，加快建设成为扎根深圳、立足中国、面向世界的一流研究型大学，继续为国家的高等教育改革创新发展成功之路，为粤港澳大湾区融合发展贡献力量。

港中大(深圳)理事会理事长、港中大校长段崇智教授感谢深圳市政府多年来对香港中文大学在粤港澳大湾区科研及教育发展的支持，并表示：“港中大(深圳)在过去不到十年的发展，成绩骄人，印证了香港中文大学教育模式的成功，成为了中国高等教育国际化改革和创新发展的成功范例。两个校园得到深圳市政府的大力支持，将在创新科技、人才培养等方面落实深化合作，巩固成果，大步向前，使香港中文大学这个国际品牌成为立足中国、面向世界的优秀研究型综合大学之典范。”

好风凭借力，扬帆正当时。港中大(深圳)将借此次《补充协议》签署的东风，加快建设发展步伐，坚定迈向世界一流大学！

The Chinese University of Hong Kong (CUHK), The Chinese University of Hong Kong, Shenzhen (CUHK-Shenzhen) and the Shenzhen Municipal Government have signalled their intention to further collaborations on education, research and technology transfer through the signing of a tripartite supplementary agreement at a special ceremony held in the afternoon on 22 February 2023 at the Government House of the Hong Kong Special Administrative Region (HKSAR). The ceremony was witnessed by Mr Chan Kwok-ki, GBS, IDSM, JP, Chief Secretary for Administration of the HKSAR government, Mr Qin Weizhong, Mayor of the Shenzhen Municipal People's Government, Mr Cheuk Wing-hing, JP, Deputy Chief Secretary for Administration of the HKSAR government and Mr Zeng Bai, Member of the Standing Committee of the Shenzhen Municipal Committee.

The agreement spells out greater support from the Shenzhen Municipal Government for CUHK and CUHK-Shenzhen to further capitalize on

their competitive advantages to deepen collaborations and contribute meaningfully to the development of the Guangdong-Hong Kong-Macau Greater Bay Area (GBA), while paving the way for strengthening its partnership with the HKSAR government to promote talent interflow and sharing of research outcomes and resources.

Since its founding in 2014, CUHK-Shenzhen has achieved remarkable results, with notable contributions to the national development widely acclaimed by the Ministry of Education, the People's Government of Guangdong Province, as well as the HKSAR government, asserting the leading role it plays as a Chinese-foreign cooperation institution in the GBA and on the mainland.

Professor Yangsheng Xu, President of CUHK-Shenzhen remarked: "In the spirit of 'One Brand, Two Campuses', CUHK-Shenzhen is proud of its remarkable results in talent recruitment and cultivation, academic and

college development, and scientific research and innovation achieved in its nine years of history with the great support and trust of the Shenzhen Municipal Government and CUHK. CUHK-Shenzhen is accelerating its growth into a first-class China-based research university with a global vision. We hope to contribute strongly to the reform and innovation of the country's higher education and the integrated development of the GBA."

Professor Rocky S. Tuan, Vice-Chancellor and President, CUHK, and Chair of Governing Board, CUHK-Shenzhen, expressed his sincere gratitude to the Shenzhen Municipal Government for supporting CUHK's education and research development in the GBA. He said: "CUHK-Shenzhen has made remarkable achievements in the past ten years. It is a powerful example of CUHK's successful education model and a testimony of our country's progress in terms of internationalization and innovation of the higher education sector. Meanwhile, as the scientific

engine room for the GBA, CUHK provides a world-class research ecosystem connecting the Region to a network of global expertise essential for industrial transformation, creating job opportunities and realizing the benefits of economic integration across the Pearl River Delta. With the tremendous support from the Shenzhen Municipal Government, CUHK and CUHK-Shenzhen shall work more closely to seize the historic opportunities presented by the rapid development of our country and align our goals to critical national strategies, such as the 14th Five-Year Plan, the GBA blueprint and the Belt and Road Initiative, to fully integrate into the national development. Both institutions are eager to bring our collaborations on talent cultivation, research and innovation and other disciplines to the next level and continue to create greater impact of the CUHK brand on the world as we consolidate our position as a world-class research-oriented comprehensive university with a global vision so proud of our strong connections to the mainland."

徐扬生校长获颁“感动深圳”教育人物之功勋人物奖

传媒春茗

深港两校携手共创未来教育蓝图

春风早莺花草香，神仙湖畔迎客忙。2月18日，香港中文大学（深圳）迎来了2023年度传媒春茗活动。“六十春秋融合东西创世界学府，十年奋斗薪火相传育国家栋梁”，香港中文大学（深圳）校长徐扬生教授用一副对联总结了港中大和港中大（深圳）两校发展的历史和成就。就在今年，香港中文大学迎来了建校60周年，值此之际，香港中文大学（深圳）校长徐扬生教授和香港中文大学校长段崇智教授携两校大学主管人员共同出席了此次春茗活动。

港中大（深圳）通过每年举办的传媒春茗活动，答谢全国媒体朋友对大学的长期关注与支持，感谢媒体通过向公众准确传达大学的声音，积极履行社会责任。同时，活动通过大学主管人员介绍、新闻采访等环节，让媒体多角度了解港中大（深圳）的办学进展和师生风采。百余名全国及省内外媒体参加了本次活动。

活动伊始，港中大（深圳）麒麟社的同学们表演了麒麟舞——“麒麟吃青”寓意迎春纳福，由汉仪社和国乐团表演的《青花瓷》在悠扬婉转的乐曲和舞蹈中拉开了活动序幕。

麒麟队和永盛堂师傅联袂带来《麒麟吃青》

徐扬生校长在春色环绕的古亭旁请出出席今天活动的两校大学主管人员，他们分别是：香港中文大学校长段崇智教授、常务副校长陈金梁教授、副校长潘伟贤教授、副校长陈伟仪教授、副校长岑美霞教授、副校长吴树培先生、协理副校长金江先生、理学院院长宋春山教授、文学院院长唐小兵教授、逸夫书院院长梁耀坚教授；香港中文大学（深圳）副校长罗智泉教授、副校长朱世平教授、副校长阮健骢先生、协理副校长李学金教授、协理副校长蔡小强教授、协理副校长舒涛教授、协理副校长王丛教授、协理副校长黄建伟教授。

香港中文大学（深圳）校长徐扬生教授和香港中文大学校长段崇智教授分别介绍了两校的最新发展及未来深化合作的各项情况，大学各主管人员通过问答环节从各个角度详尽展示了各项办学成果。

砥砺深耕九载春秋 谱写卓越教育华章

香港中文大学（深圳）校长徐扬生教授在致辞中讲述了九年来的创校历史和最新的办学进展及未来展望。香港中文大学（深圳）已走过九个春秋，将在明年迎来建校十周年。九年来，大学的发展与日俱进，在招生与人才培养、国际一流师资建设、学科与专业建设、拓展国际合作、科研创新、书院与全人教育、就业与升学等方面取得了长足而稳定的发展。

徐扬生教授介绍称，港中大（深圳）生源稳居全国前列，连续七年蝉联广东高考录取分数第一。港中大（深圳）始终坚持人才强校和人才优先战略，采用国际化的人才引进和评定方式，注重多维度评价和国际同行评议，施行国际通行的人才组织管理模式，一贯保持高质量的国际一流人才引进力度，打造出国际一流师资队伍。截至目前，学校已通过全球招聘引进国际一流专家学者520余名，其中包括诺贝尔奖得主5位，中国及各国院士30

余名，国家级专家70余名；在大数据、人工智能、生物医药、新材料、新能源、半导体、绿色低碳领域组建了高水平国际化创新团队20余个；经济金融领域全职教授110名，引进人才100%具有国际一流高校执教或研究工作经验，是一支具有国际视野、创新精神和站在学科前沿科研学术队伍。

截至目前，港中大（深圳）已经与132所境外名校开展实质性合作关系，各类国际合作项目超过233个，分布在世界29个国家和地区。大学本科在校生中具有境外学分学习经历的比例超过60%，在国内高校中名列前茅。

港中大（深圳）二期校园即将落成

在校园建设方面，2022年，港中大（深圳）各大项目工程先后展开，道扬书院及田径场体育设施已落成，二期校园建设即将竣工，计划今年8月投入使用。按三级甲等医院标准建设的吉华医院，建成后将作为港中大（深圳）医学院直属教学与科研一体医院，目标成为大湾区一流医院。香港中文大学（深圳）音乐学院建设项目是深圳市「新时代十大文化设施」之一，目前和医学院项目一起，都在稳步推进建设进程。

支持国际高水平的重点研究院落户河套

在科研及产业合作方面，港中大（深圳）已组建了包含诺贝尔奖实验室内国际科研平台近70个，建设机械人与人工智能制造国家联合工程实验室等重点平台；负责牵头国家重点、广东省重点领域研发计划，纵向及横向合作项目累计1000余项，推动基础研究和源头创新。大学开展横向合作超177项，服务企业100余家，与行业领头和知名企业共建校企联合实验室近20个，在技术研发、人才培养方面开展长期深入合作，进一步拓展和深化产业、企业服务能力和水平。

港中大（深圳）聚焦粤港澳大湾区战略发展重大项目，在实现大学高质量、跨越式发展的同时，促进产学研深度融合，推进与政府、企业的多元化合作，助力大学学科建设和区域经济发展。大学持续推进与龙岗区的深度合作，目前，大学多个科研平台入驻大运AI小镇，继续推动深港国际大学科技园建设；依托深港优质医疗卫生资源，搭建紧密合作的国际医学创新研究平台，共建直属附属医院；大学基础教育集团推进龙岗区的附属学校建设，已建立两所九年一贯制附属学校——知新学校和道远学校，正在筹建附属高中。

为促进深港双城协同发展，发挥大学深港合作成功典范的作用，港中大（深圳）积极统筹推进与前海深港合作区管理局的战略合作项目，与香港中文大学、前海管理局三方共建国际前海创新中心，推动成立前海国际事务研究院，深圳数据经济研究院，推进前海现代教育创新研究院、附属前海学校、附属前海医院和前海深港法制研究院等项目；与罗湖区政府合作成立九年一贯制的附属学校——礼文学校；与光明区政府在深港合作、科技创新、科技成果产业化、医疗健康、人才交流与培养、基础教育等领域建立创新合作；在福田成立的福田生物医药创新研发中心是河套深港创新科技合作区第一批引进项目之一，大学还将支持未来智联网络研究院、深圳大数据研究院福田分院（深圳国际工业与应用数学中心）等国际高水平的重点研究院先后落户河套深港创新科技合作区；与宝安区合作共建教育、医疗等领域的研究院。

“甲子连心，任重志远” 两校站在新的历史起点携手共创未来

“通关了！终于又见面！”随着内地与香港全面通关，香港中文大学校长段崇智教授一行终于又来到神仙湖畔，重新看到两校倾注心血的这片土地，现在已经楼宇耸立，桃李芬芳。春茗现场，段校长在致辞中表达了对港中大（深圳）各项发展成就的欣喜，向媒体介绍了沙田校区的发展最新情况及未来两校携手融入大湾区发展的规划蓝图。

“自2018年起，港中大在多项主要世界大学排名中稳步上扬，其中，我们在今年QS世界大学排名位列全球第38位，创下近10年新高；同时更在THE亚洲大学排名中连续五年进入前10名，成绩令人鼓舞。除了重点发展学术和研究之外，港中大亦抓紧国家发展带来的历史机遇，主动对接十四五规划、粤港澳大湾区建设和‘一带一路’发展等国家战略，积极融入国家发展大局。港中大以加强与内地的联系为战略发展方向，并以大湾区作为核心基地。未来，港中大会继续支持国家朝着现代化、高质量发展的成功之路迈进。我们正在大湾区策划多项重要举措，参与香港和国家的重点经济及科研发展项目，包括前海项目及北部都会区的建设等，我们亦有幸成为大湾区青年创业资助计划的合作伙伴，支持青年在大湾区发展事业。沙田和深圳校区将建立更紧密的关系，使香港中文大学这个品牌能巩固作为立足中国、面向世界的优秀研究型综合大学之地位，为国家培养热爱中华文化、富有国际视野、以社会需求为导向的高层次创新人才，创造更多前沿科研成果，助力国家未来发展，实现中华民族伟大复兴。”

在新的历史起点携手共创未来

过去三年，尽管疫情阻隔、人员往来遇到种种困难，港中大和港中大（深圳）两校仍不遗余力地开展合作，携手并进，共创发展蓝图。2021年12月15日，香港中文大学与香港中文大学（深圳）签署战略合作框架协议，在现有成功的合作基础之上，深化双方伙伴关系，推动两校在大湾区高等教育领域的发展。2022年8月3日，香港中文大学（深圳）医学院院长郑仲煊教授、香港中文大学医院行政总裁冯康医生分别代表双方签订战略合作框架协议。2022年10月13日，香港中文大学和香港中文大学（深圳）联合发布重大消息，设立崭新的大湾区2+2本科学位课程。两校园将合办双主修课程，为大湾区培育优秀人才。这也是粤港澳大湾区首个让学生于深港两地校园修读双主修本科课程的项目。

2023年，香港中文大学迎来校史的重要里程碑——创校六十周年。徐扬生校长说这是“奋斗一甲子，多情一甲子”。香港中文大学（深圳）将香港中文大学优秀的办学理念、通识教育、书院制育人模式、中国文化的传统和严格的学术标准，传承移植于祖国内地，根据粤港澳大湾区和国家需求进行制度创新、专业布局的创新，成为深港高等教育合作的先行者，为国家高等教育改革做出贡献。

CUHK and CUHK-Shenzhen Forge Ahead with Joint Education Blueprint

The Chinese University of Hong Kong, Shenzhen held its annual Spring Reception for Media 2023 on February 18, 2023. Leading the event were Professor Yangsheng Xu, President of CUHK-Shenzhen, and Professor Rocky S. Tuan, President and Vice-Chancellor of The Chinese University of Hong Kong (CUHK), alongside university officers from both sides. This year marks the 60th anniversary of CUHK, and to commemorate this milestone, Professor Yangsheng Xu crafted an artistic and poetic couplet summarizing the impressive histories and achievements of both CUHK and CUHK-Shenzhen.

The annual Spring Reception for Media is a significant event to express gratitude to the media for their unwavering support and attention in conveying the University's voice to the public. The event also offers a valuable opportunity for the media to learn about the academic progress and achievements of CUHK-Shenzhen's students and faculty through presentations and interviews. Over a hundred media professionals across the nation attended this event this year.

The reception kicked off with a Qilin Dance performed by students, symbolizing the arrival of spring and good fortune. This was followed by a Chinese orchestra performance of "Blue and White Porcelain" and a traditional dance by student clubs.

Dance Performance: Blue and White Porcelain

The event was graced by the attendance of senior officers from both universities. Representing CUHK were Vice-Chancellor and President Prof. Rocky S. Tuan, Vice-Presidents Prof. Alan K.L. Chan, Prof. Poon Wai-yin, Prof. Chan Wai-ye, Prof. Sham Mai-har and Mr. Eric S.P. Ng, Associate Vice-President Laurie Pearcey, Dean of Science Prof. Song Chunshan, Dean of Arts Prof. Tang Xiaobing, and Head of Shaw College Prof. Freedom Y.K. Leung. From CUHK-Shenzhen, there were Vice Presidents Prof. Zhiquan Luo, Prof. Shiping Zhu, and Mr. K.C. YUEN, as well as Associate Vice Presidents Prof. Tonly Li, Prof. Xiaoqiang Cai, Prof. Tao Shu, Prof. Cong Wang, and Prof. Jianwei Huang.

At the event, President Rocky S. Tuan and President Yangsheng Xu engaged in a face-to-face exchange with the media, introducing the latest developments of the two universities and their future collaborations. The Q&A session was a showcase of the universities' academic achievements from various perspectives.

CUHK-Shenzhen's Nine-Year Journey: Building a Legacy of Exceptional Education

In his address, Professor Yangsheng Xu, President of CUHK-Shenzhen, recounted the history of the University's establishment, its latest developments, and future prospects. As CUHK-Shenzhen approaches its tenth anniversary next year, it has now completed nine years of significant and steady progress in a variety of areas. These include student recruitment and talent cultivation, international faculty construction, discipline and major development, international cooperation, scientific research and innovation, collegiate system and holistic education, as well as employment and further studies.

According to Professor Xu, CUHK-Shenzhen has continuously attracted a stable source of high-quality students, ranking first in Guangdong Province for seven consecutive years in terms of the average Gaokao score of admitted students. The development of talent is a top priority at CUHK-Shenzhen, and this is evident in the University's international approach to talent recruitment and assessment. CUHK-Shenzhen employs a rigorous, multidimensional evaluation process that incorporates peer reviews and internationally recognized talent management practices. As a result, the University has assembled a remarkable team of innovative educators with international perspectives and expertise in their respective fields. Up to now, the University has recruited over 520 international top-notch experts and scholars through global recruitment, among whom there are 5 Nobel laureates, more than 30 academicians from China and other countries, and over 70 national-level experts. Additionally, over 20 high-level international innovative teams have been established in fields such as big data, artificial intelligence, biomedicine, new materials, new energy, semiconductors, and green low-carbon industries. Furthermore, there are 110 full-time

professors in the field of economics and finance, and all of the recruited talents have had teaching or research experience in leading international universities.

Currently, CUHK-Shenzhen has established substantive cooperative relationships with 132 renowned overseas universities and institutions, with a total of 233 international cooperation projects across 29 countries and regions worldwide. More than 60% of CUHK-Shenzhen undergraduate students have earned academic credits from studying abroad, placing the University among the top domestic universities in terms of study-abroad participation.

CUHK-Shenzhen's Phase 2 Campus Nears Completion

CUHK-Shenzhen commenced major construction projects on its campus in 2022. Currently, the construction of Ling College and various athletics facilities has been completed, while the Phase 2 campus is set to be completed and ready for use in August of this year. The CUHK-Shenzhen Medical Center, built to the standards of a Grade III Class A hospital, will function as a teaching and research hospital for CUHK-Shenzhen's School of Medicine, with the aim of becoming a top hospital in the Greater Bay Area. The CUHK-Shenzhen School of Music, which is one of Shenzhen's "Top Ten Cultural Facilities for the New Era," is also progressing steadily in conjunction with the medical school project.

Key Research Institutes of International Excellence

CUHK-Shenzhen has established a robust network of nearly 70 international research platforms, including prestigious Nobel Prize laboratories, and key platforms such as the National-local Joint Engineering Laboratory of Robotics and Intelligent Manufacturing. It has spearheaded several national and provincial key research and development plans with over 1,000 cumulative fundamental and applied research projects, driving progress in basic research and original innovation. Additionally, the University has completed over 177 commissioned projects from enterprises, serving more than 100 companies; and co-built nearly 20 university-enterprise joint laboratories with industry leaders and well-known enterprises, fostering long-term, in-depth cooperation in technology research and talent cultivation. These efforts have further expanded and deepened CUHK-Shenzhen's ability to provide industrial and enterprise services, solidifying its position as a leading academic and research institution.

CUHK-Shenzhen is dedicated to driving major initiatives for the strategic development of the Guangdong-Hong Kong-Macau Greater Bay Area. While pursuing its own high-quality, transformative development, the University also seeks to integrate industry, education, and research more deeply, as well as foster diversified cooperation with the government and industry, thus contributing to both the growth of its academic disciplines and the regional economy. In addition, the University is forging ever closer ties with Longgang District, where several of its research platforms are now based in the district's Dayun AI Town, further advancing the construction of the Shenzhen-Hong Kong International University Science and Technology Park. Leveraging the outstanding medical and health resources available in Shenzhen and Hong Kong, the University is also forging ahead with the establishment of an international medical innovation research platform that will be characterized by close collaboration, as well as a new affiliated hospital. Meanwhile, the University's basic education group is promoting the establishment of affiliated schools in Longgang District. Two 9-year affiliated schools, Zhixin School and Daoyuan School, have already been established for students aged six to fifteen, with plans underway for the establishment of an affiliated high school.

To further promote the coordinated development of Shenzhen and Hong Kong and leverage the successful model of collaboration between universities in the two cities, CUHK-Shenzhen is proactively pursuing strategic cooperation projects with the Shenzhen Qianhai Authority. As part of this effort, the University will collaborate with CUHK to establish the Qianhai International Innovation Center and speed up the development of the Institute for International Affairs, Qianhai, and the Shenzhen Institute of Data Economy. In addition, CUHK-Shenzhen is committed to supporting the region's ongoing projects such as the Qianhai Modern Education Innovation Research Institute, affiliated Qianhai School, affiliated Qianhai Hospital, and Qianhai Shenzhen-Hong Kong Legal Research Institute. The University is also partnering with the Luohu District Government to establish the Liwen School, a 9-year integrated school that will provide high-quality education to students from the region. Additionally, CUHK-Shenzhen will establish innovative cooperation with the Guangming District Government in the areas of Shenzhen-Hong Kong cooperation, technology innovation, technology

commercialization, healthcare, talent exchange and development, and basic education.

The CUHK-Shenzhen Futian Biomedical Innovation Research and Development Center is one of the first projects introduced by the Shenzhen-Hong Kong Cooperation Zone for Technology and Innovation at the Lok Ma Chou Loop. To further support this initiative, the University will encourage its institutes, including the Future Network of Intelligence Institute and the Futian Branch of Shenzhen Institute of Big Data, to establish a presence at SHCZ.

Celebrating Diamond Jubilee: CUHK and CUHK-Shenzhen Join Forces for a Shared Future

As the Hong Kong-mainland border fully reopened, Professor Rocky S. Tuan, President and Vice-Chancellor of The Chinese University of Hong Kong, led a delegation to the Shenzhen campus, where the two universities' collaborative efforts now proudly stand.

During the Spring Reception for Media, Professor Tuan expressed his delight in CUHK-Shenzhen's achievements, highlighting the latest developments at the Sha Tin campus and the blueprint for the two universities to jointly contribute to the development of the Greater Bay Area.

"Since 2018, CUHK has risen steadily in major global university rankings. This year, we reached an all-time high of 38th in the QS World University Rankings and have been among the top 10 in the THE Asia University Rankings for five consecutive years. Alongside our academic and research development, CUHK is committed to aligning with national strategies such as the 14th Five-Year Plan, Guangdong-Hong Kong-Macao Greater Bay Area, and Belt and Road Initiative, seizing historic opportunities brought about by national development. Strengthening ties with the Chinese mainland with the Greater Bay Area as a focal point is a strategic direction for CUHK's development. In the future, CUHK will continue to support the country's pursuit of modernization and high-quality development. We are planning several significant initiatives in the Greater Bay Area and participating in key economic and scientific development projects in Hong Kong and at large the whole country, including the Qianhai and Northern Metropolis projects. We are also proud to partner with the Greater Bay Area Youth Entrepreneurship Program, supporting young people in developing their careers in the region. With the closer relationship between the Sha Tin and Shenzhen campuses, CUHK is well-positioned to reinforce its standing as a leading research-oriented comprehensive university in China and on the world stage. Our core mission is to nurture visionary and creative individuals who embody an international perspective while embracing Chinese cultural heritage and remain attuned to society's needs. By fostering such talent, we aspire to make pioneering contributions to research, to the country's future development and ultimately to the great rejuvenation of the Chinese nation."

A New Beginning of Moving Forward Together

Despite the challenges brought by the pandemic and travel restrictions in the past three years, CUHK and CUHK-Shenzhen have been working tirelessly to deepen their partnership and jointly create a blueprint for development.

On December 15, 2021, CUHK and CUHK-Shenzhen signed a strategic cooperation framework agreement, aiming to further enhance their collaboration and promote the development of higher education in the Greater Bay Area.

On August 3, 2022, Professor Davy Cheng, Dean of the School of Medicine at CUHK-Shenzhen, and Professor Hong Fung, Executive Director and CEO of CUHK Medical Center, signed a strategic cooperation framework agreement on behalf of the two universities.

On October 13, 2022, CUHK and CUHK-Shenzhen announced that they will jointly establish a new Greater Bay Area "2+2" degree program. It is a first-of-its-kind collaborative program in the Greater Bay Area that allows students to study double majors at both the Shenzhen and Hong Kong campuses.

In 2023, CUHK will celebrate its diamond jubilee, a significant milestone in the history of the university. As President Yangsheng Xu remarked, it has been "60 years of commitment and deep emotion". Looking ahead, CUHK-Shenzhen will inherit CUHK's excellent educational philosophy, general education, college system, traditional Chinese culture, and rigorous academic standards and make them thrive in the ground of Shenzhen. What is more, with innovative institutional arrangements and professional layouts according to the needs of the Greater Bay Area and the country, CUHK-Shenzhen is set to blaze new trails in higher education cooperation between Shenzhen and Hong Kong, making significant contributions to the ongoing national higher education reform.
